Section I – Declaration			
The information provided is collected for the purpose of administration of the Arms Act 2026. Firearms Safety and Education New Zealand (FSE) will hold, store, use or disclose the personal information collected in accordance with the provisions of the Privacy Act 2020. This means that, where necessary, FSE may use or disclose your personal information to enable it to carry out its lawful functions, including prevention, detection, investigation and prosecution of offences. Please refer to the 'How We Manage Personal Information' section of the FSE website for more information.			
Please read the following statements and show your acceptance by ticking each box:			I Agree
I declare that I have a genuine need to possess restricted items in my capacity as an animal and biosecurity control business because I cannot effectively achieve the purpose of controlling animals by using a non-restricted firearm and/or non-restricted magazines.			☐
I declare that the information I have supplied for this application is true and correct. I understand that it is an offence to intentionally supply incorrect particulars or misleading details.			☐
I consent to Firearms Safety and Education New Zealand making inquiries into my fitness to possess restricted firearms and authorise any person or organisation approached by the Firearms Safety and Education New Zealand in this matter to release or disclose all relevant information.			☐
